The Fine Print:

- Refer to the information section to review the types of photographs that can be submitted and how to organize your photographs
- For duplicate CD's and DVD's, if multiple copies are needed for the original order, multiple duplicate copies will be required
- In submitting photographic prints to Carsand-Mosher, you agree that the value is no more than the cost of scanning the same quantity of photographs. That is, if Carsand-Mosher would charge you \$90 to scan your pictures, the maximum amount of damage you may claim if your photographs are lost or damaged is \$90. Except for such agreed value, Carsand-Mosher will not be liable for any other loss or damage, direct, consequential or incidental.
- We honour photographer's copyrights. If you submit copyrighted photos we will return them un-scanned, unless you provide us with the written permission of the photographer(s).
